

NEPTUNE 2 SPECIAL – WHY COMPROMISE

Compactness, ease of storage, reliability and low running costs

Why Compromise

Small size does not mean small performance

The good level of serviceability also reduces maintenance cost and thus, overall cost of cleaning.

NEPTUNE 2 SPECIAL is equipped with a new strong 1450 RPM motor pump unit. This ensures longer lifetime together with low noise.

This new model, which is a further development of the NEPTUNE 2 in the well known innovative design, targets the users in the top end of the entry level of the compact hot water cleaners those who need more than a NEPTUNE 1 and NEPTUNE 2.

The versatile design allows the NEPTUNE 2 SPECIAL to be placed vertically or horizontally during transport – ideal for a commercial van or station wagon.

The optimally studied design the perfect balance, the large wheels and good ground clearance allows the cleaner to be easily tipped and pushed or pulled along uneven ground or up steps. It is an ideal tool for cleaning tasks in garages, cleaning vehicles and cars, and can be used within trade and small agriculture. Design is one element. Technical performance, low cost cleaning and reliability are further key criteria.

TECHNICAL DATA	NEPTUNE 2-26 SPECIAL	NEPTUNE 2-26 X SPECIAL	NEPTUNE 2-30 SPECIAL	NEPTUNE 2-30 X SPECIAL
Pump pressure (bar/MPa)	140/14	140/14	155/15.5	155/15.5
Cleaning impact (kg/force)	2.6	2.6	3.0	3.0
Water flow Q _{max} /Q _{IEC} (l/h)	600/560	600/560	660/600	660/600
Max. inlet temperature (°C)	40	40	40	40
Pump (RPM)	1450	1450	1450	1450
Water temperature (water) (°C)	80	80	80	80
Fuel consumption, ΔT=45°C (kg/h)	2.7	2.7	2.9	2.9

Nilfisk-ALTO offers more dedicated solutions ...

In order to accommodate specific customer needs Nilfisk-ALTO has developed a wide range of accessories and detergent for optimal cleaning! Use of accessories and detergents will decrease cleaning time and thus reduce cleaning costs. Nilfisk-ALTO offers one of the widest ranges of complementary equipment on the market. You will find more accessories in the main Nilfisk-ALTO catalogue or in the web site www.nilfisk-alto.com.

No claims can be made on the basis of information or illustrations contained in this catalogue. Subject to alteration of technical data, design and equipment.
